

Nascente Maria

Nascente Maria himnum cantate nobis de canticis Angelorum.
Gloria in excelsis Deo.
Gaudeat omnis terra Mariae Virginis illustrata natali.
Gloria in excelsis Deo.

Concinite letantes chori et alternantibus modulis Mariam nascentem excipite.

Laudate, benedicite, adorate Mariam.

Nascitur Maria ut sit salutis exordium.
Nascitur Maria ut mundo succurrat perditio.
Nascitur Maria ut sit peccatorum venia.
Nascitur Maria ut sit reconciliationis remedium.

Nascente Maria, Ecclesiae Aurora consurgit solem justitiae mundum cum laetitia Paritura.

O femmina super feminas benedicta,
O mater, o Virgo, o Deus,
O firmamentum, o gloria.
Gloria in excelsis Deo.

Because Mary is Born

Because Mary is born, sing a hymn for us from the songs of the angels:
“Glory to God in the highest.”
Let all the earth rejoice, illuminated by the Virgin Mary’s birth.
“Glory to God in the highest.”

Joyful choirs, sing together and with alternating modes, receive Mary being born.

Laud, bless, adore Mary.

Mary is born so that it may be the beginning of salvation.
Mary is born so that she may aid the fallen world.
Mary is born so that there may be forgiveness of sins.
Mary is born so that there may be the remedy of reconciliation.

When Mary is born, the dawn of the Church rises, about to give birth to the pure sun of justice, with joy.

O blessed woman above all women,
O mother, O Virgin, O God,
O firmament, O glory.
Glory to God in the Highest.
